PARKER SPORTS MEDICINE OFFICE POLICIES
To reduce confusion and misunderstanding between our patients and practice, we have adopted the following office policies. We are dedicated to providing the best possible care and service to you and regard you complete understanding of your financial responsibilities as an essential element of your care and treatment.
(Initial)
FINANCIAL POLICY
Full payment is due at the time of service. For your convenience we accept Cash, Check, VISA, MasterCard, and Discover. If your account has a balance due, payment will be expected prior to your next appointment, unless prior arrangements have been made.
The patient is responsible for providing Parker Sports Medicine (PSM) with the correct insurance information and obtaining any referrals required by your insurance company for specialty care. All insurance companies are different, and sometimes have different tier levels of your benefits. We do the best we can to get accurate information and collect based on our fullest understanding of those benefits. Any balance left by the health plan is your responsibility and is due upon receipt of a statement from our office.
Additionally, the patient is responsible for responding to requests from the insurance company to provide any additional information they may require. If this information is not If provided, and they do not pay us because of the delay, then the full charges incurred will be turned over to the patient's responsibility, and payment is due immediately upon receiving a statement from our office.
In certain circumstances, payment plans are available if a patient is unable to pay the amount due in full. It is required to put a credit/debit card on file for automatic payments each month. If no card is available, it is the responsibility of the patient to ensure payment is made at least once monthly. Any amount due for services after the payment plan is initiated will be due at the time of service. If two (2) payments decline or are failed to be paid without communication to our billing office, the account will be turned over to the collection agency representing this medical practice.
<ul> <li>Any refund requested that was originally processed by a credit card will incur a 5% convenience fee.</li> <li>A \$35 fee may be charged to you if reasonable notice of cancellation is not received within 24 hours of your appointment.</li> </ul>
